Subject: M14 National Match Rifles,  
Serial Numbers 1479698 and 1453711.

Dear Mr. Sauerman:

In response to your earlier inquiry concerning the subject rifles:

We wish to advise that our records indicate that during the course of our manufacture of M14 National Match Rifles we did produce two National Match Rifles bearing the serial numbers 1479698 and 1453711.

The subject M14 National Match Rifles, as were all M14 National Match Rifles that were manufactured by us, were designed by the U. S. Government and were manufactured and intended for use in a semi-automatic mode only.

We trust the above will be of assistance.

Very truly yours,

R. J. Manion
